Disease Package

HR: Xcc

IR:

Disease Package Resistance Keys: **HR** = High Resistance, **IR** = Intermediate Resistance.

Disease Code: **Xcc** - Black rot, **Foc** - Fusarium yellows

Disclaimer:

All published data on this website are indicative only and based on crop performance observed in our trial stations. Performance may vary from one geographical area to another and from year to year as local growing habits, soil, and weather conditions may vary. Distributors are urged to run local trials to determine the abiotic and biotic (pathogen strains, etc.) effects on the grown hybrid(s). Based on the above statement, we give no warranty for crop performance pertaining to the information given; nor do we accept any liability for any loss, direct or ensuing, that may result from any cause.
